

FOODPLUS!

FOR MULTIFAMILY RESIDENTS

TOWARD
ZERO
WASTE

Composting is an easy way to reduce waste and can save you money too!
FoodPlus! is Whatcom County's industrial composting program and gets collected by Sanitary Service Company (SSC) with your normal trash service.

With FoodPlus! you can compost:

Food waste, including meat, bones, and shells

Food soiled paper and cardboard

Compostable containers, cups, and utensils

Yard waste

HOW WE CAN HELP

For Residents:

- Training on proper sorting of compost, recycling, and trash
- Quick guides to sorting waste
- Kitchen collection containers for residents committed to composting
- Incentives and support for Resident Champions

For Property Managers:

- Waste assessment
- Service plan optimization
- Signage for waste bins
- Ongoing support to troubleshoot and improve waste management
- Welcome letter for new residents
- Promotion of efforts

WHO WE ARE

Sustainable Connections is a Bellingham-based nonprofit that creates thriving communities through innovative ideas, collaboration, and action. The Toward Zero Waste Program reduces waste and economic barriers by empowering businesses and individuals to expand upon their network of community resources and educating them in operations to maximize source reduction. We believe that reducing waste is the most attainable way to make a positive impact!
